Application/Control Number: 10/632,853

Art Unit: 3745

## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: None of the prior art of record, cited below, discloses a turbine bucket having an airfoil profile substantially in accordance with the coordinate values set forth in Table I. The novel shape improves the aerodynamic efficiency while reducing airfoil thermal and mechanical stresses.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled as "Comments on Statement of Reasons for Allowance."

## **Cited Art**

The prior art made of record and not relied upon is considered pertinent to Applicants' disclosure. U.S. Patent Nos. 6,769,878, 6,715,990, 6,739,838, 6,722,852, 6,769,879, 6,739,839, 6,558,122, 6,474,948, 6,685,434, 6,503,059, 6,461,110, 6,450,770 and 5,980,209, and U.S. Patent Application Publication Nos. 2003/0017052, 2004/0057833 and 2004/0115058 are each cited for teaching a novel airfoil shape turbine blade using a 3-dimensional coordinate system.

## **Contact Information**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard Edgar whose telephone number is (703) 305-

0050. Effective November 22, 2004 the examiner's telephone number will be (571) 272-4816. The examiner can normally be reached on Monday thru Friday, 8:00 am until 4:00 pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Look can be reached on (703) 308-1044. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
